Dear Miguel Sanchez,

It is with extreme pleasure that I let you know that you have been selected as the recipient of this year's Sylvia Perry Memorial Scholarship. The Oregon Music Education Association District 4 Board was very impressed with your scholarship application and dedication to Music Education. We wish you all the best as you seek to become a Music Educator! Please send the contact information for the scholarship/financial department at your college or university to our treasurer at the email address below. We will be sure to send your scholarship funds to them as soon as possible.

Again, our most sincere congratulations!
